## CANADIAN MOBILITY AND AEROSPACE INSTITUTE

INSTITUT POUR LA MOBILITÉ  
ET L'AÉROSPATIALE AU CANADA

Here is important information for January 2023 regarding [CMAI](#) and the platform [Placement SPOT™](#) in the mobility sector.

**JANUARY, 2023**

### UPCOMING

**POSTING FOR 2023 SUMMER INTERNSHIPS ON  
PLACEMENT SPOT BEGINS JANUARY 5TH!**

#### **KEY TIPS TO HELP YOU WITH YOUR RECRUITING PROCESS FOR SUMMER 2023 INTERNS**

Start the year strong by posting early for increased visibility to our **20,000 registered students!**

##### **Write complete internship offers**

To attract candidates who meet your needs, make sure you provide all the important information. If you are looking for college interns, indicate it in the job description.

##### **Be flexible with the dates**

Typically, summer internships begin in May at the university level and in June at the college level. These internship dates are usually flexible. By

accommodating students, you can make a big difference in your recruitment process.

### ✓ Evaluate the possibility of offering an internship extension

At the college level, internships of 8 to 12 weeks often have a possibility of extension.

At the university level, extensions vary according to the Canadian province.

- Quebec: From 4 months to 8 months
- Other provinces: From 4 months to 8, 12 or 16 months in some cases.

**If you offer remote internships or internships outside of Quebec, we invite you to contact us to find out about the specificities in other Canadian provinces.**
